(3) If the potential MBE contractor has been determined by the Small Business Administration to be owned and controlled by socially and economically disadvantaged individuals under section 8(a) of the Small Business Act, as amended.

§23.53 Eligibility standards.

(a) The following standards shall be used by recipients in determining whether a firm is owned and controlled by one or more minorities or women is and shall therefore be eligible to be certified as an MBE. Businesses aggrieved by the determination may appeal in accordance with procedures set forth in §23.55.

(1) Bona fide minority group membership shall be established on the basis of the individual's claim that he or she is a member of a minority group and is so regarded by that particular minority community. However, the recipient is not required to accept this claim if it determines the claim to be invalid.

(2) An eligible minority business enterprise under this part shall be an independent business. The ownership and control by minorities or women shall be real, substantial, and continuing and shall go beyond the *pro forma* ownership of the firm as reflected in its ownership documents. The minority or women owners shall enjoy the customary incidents of ownership and shall share in the risks and profits commensurate with their ownership interests, as demonstrated by an examination of the substance rather than form of arrangements. Recognition of the business as a separate entity for tax or corporate purposes is not necessarily sufficient for recognition as an MBE. In determining whether a potential MBE is an independent business, DOT recipients shall consider all relevant factors, including the date the business was established, the adequacy of its resources for the work of the contract, and the degree to which financial, equipment leasing, and other relationships with nonminority firms vary from industry practice.

(3) The minority or women owners shall also possess the power to direct

or cause the direction of the management and policies of the firm and to make the day-to-day as well as major decisions on matters of management, policy, and operations. The firm shall not be subject to any formal or informal restrictions which limit the customary discretion of the minority or women owners. There shall be no restrictions through, for example, bylaw provisions, partnership agreements, or charter requirements for cumulative voting rights or otherwise that prevent the minority or women owners, without the cooperation or vote of any owner who is not a minority or woman, from making a business decision of the firm.

(4) If the owners of the firm who are not minorities or women are disproportionately responsible for the operation of the firm, then the firm is not controlled by minorities or women and shall not be considered an MBE within the meaning of this part. Where the actual management of the firm is contracted out to individuals other than the owner, those persons who have the ultimate power to hire and fire the managers can, for the purposes of this part, be considered as controlling the business.

(5) All securities which constitute ownership and/or control of a corporation for purposes of establishing it as an MBE under this part shall be held directly by minorities or women. No securities held in trust, or by any guardian for a minor, shall be considered as held by minority or women in determining the ownership or control of a corporation.

(6) The contributions of capital or expertise by the minority or women owners to acquire their interests in the firm shall be real and substantial. Examples of insufficient contributions include a promise to contribute capital, a note payable to the firm or its owners who are not socially and economically disadvantaged, or the mere participation as an employee, rather than as a manager.

(b) In addition to the above standards, DOT recipients shall give special consideration to the following circumstances in determining eligibility under this part.

§ 23.55

(1) Newly formed firms and firms whose ownership and/or control has changed since the date of the advertisement of the contract are closely scrutinized to determine the reasons for the timing of the formation of or change in the firm.

(2) A previous and/or continuing employer-employee relationship between or among present owners is carefully reviewed to ensure that the employee-owner has management responsibilities and capabilities discussed in this section.

(3) Any relationship between an MBE and a business which is not an MBE which has an interest in the MBE is carefully reviewed to determine if the interest of the non-MBE conflicts with the ownership and control requirements of this section.

(c) A joint venture is eligible under this part if the MBE partner of the joint venture meets the standards for an eligible MBE set forth above and the MBE partner is responsible for a clearly defined portion of the work to be performed and shares in the ownership, control, management responsibilities, risks, and profits of the joint venture.

(d) A joint venture is eligible to compete in an MBE set-aside under this part if the MBE partner of the joint venture meets the standards of an eligible MBE set forth above, and the MBE partner's share in the ownership, control, and management responsibilities, risks, and profits of the joint venture is at least 51 percent and the MBE partner is responsible for a clearly defined portion of the work to be performed.

(e) A business wishing to be certified as an MBE or joint venture MBE by a DOT recipient shall cooperate with the recipient in supplying additional information which may be requested in order to make a determination.

(f) Once certified, an MBE shall update its submission annually by submitting a new Schedule A or certifying that the Schedule A on file is still accurate. At any time there is a change in ownership or control of the firm, the MBE shall submit a new schedule A.

(g) Except as provided in §23.55, the denial of a certification by the Department or a recipient shall be final, for that contract and other contracts

49 CFR Subtitle A (10-1-98 Edition)

being let by the recipient at the time of the denial of certification. MBEs and joint ventures denied certification may correct deficiencies in their ownership and control and apply for certification only for future contracts.

(h) Recipients shall safeguard from disclosure to unauthorized persons information that reasonably may be regarded as confidential business information, consistent with Federal, state and local law.

§23.55 Appeals of denials of certification as an MBE.

(a) *Filing.* Any firm which believes that it has been wrongly denied certification as an MBE or joint venture under §§23.51 and 23.53 by the Department or a recipient of DOT financial assistance may file an appeal in writing, signed and dated, with the Department. The appeal shall be filed no later than 180 days after the date of denial of certification. The Secretary may extend the time for filing or waive the time limit in the interest of justice, specifying in writing the reasons for so doing. Third parties who have reason to believe that another firm has been wrongly denied or granted certification as an MBE or joint venture may advise the Secretary. This information is not considered an appeal pursuant to this section.

(b) *Decision to investigate.* The Secretary ensures that a prompt investigation is made pursuant to prescribed DOT title VI investigation procedures.

(c) *Status of certification during the investigation.* The Secretary may at his/her discretion, deny the MBE or joint venture in question eligibility to participate as an MBE DOT-assisted contracts let during the pendency of the investigation, after providing the MBE or joint venture in question an opportunity to show cause by written statement to the Secretary why this should not occur.

(d) *Cooperation in investigation.* All parties shall cooperate fully with the investigation. Failure or refusal to furnish requested information or other failure to cooperate is a violation of this part.

(e) *Determinations.* The Secretary makes one of the following determinations and informs the MBE or joint
